

## **Superintendent Report for Meeting**

**Aaron Rex**

**7/27/21**

- This coming Friday we will be having our District Leadership Team meeting. This summer meeting is always a great way to get our building leaders excited about the goals for the upcoming year, and also for the group to evaluate our progress towards our goals.
- August 3 we will have all of our new staff together for the New Teacher orientation. This year we plan to include our paraeducators, as they are a big part of the educational team and it is important for them to hit the ground running when school starts.
- Last Thursday, July 22, was the last day of our BeBetter Summer Camp. I want to thank all our staff members who helped to make it a success! There were so many people involved, including the food service staff, bus drivers, teachers, student interns, and administrators. Our goal all along was to provide instruction to improve students' reading, and I know that this was achieved.
- August 19 will be our Welcome Back to School Celebration. It will start with the elementary at 5:30, middle school at 6:30, and the high school at 7:30.
- I want to invite you to the opening day meeting on August 19, as well. It will start at 8 AM in the high school performing arts center.
