- 3.15.01 Effective immediately, if on September 30 of any given year the Association has attained at least a thirty-three percent (33%) level of its employee membership as verified by the Treasurer, the Board will agree to deduct for that year from the paychecks of such employees who have elected to not join the Association a representation fee in accordance with the Ohio Revised Code and the below-listed procedure. Once that thirty-three percent (33%) level is attained, the Association must retain such level of membership each subsequent year thereafter (September 30 review date with the Treasurer), and if not, then the Board will cease from deducting a representation fee for that year. With the effective date of this contract, all new employees will be subject to this representation fee.

The Association President or designee may also provide such notification to the Treasurer of the Board for employees hired after August of each school year, and the Treasurer will begin to make deductions within thirty (30) days of such notification.
- 3.15.05 The Association represents to the Board that an internal rebate procedure has been established in accordance with Section 4117.09(C) of the Revised Code and that a procedure for challenging the amount of the representation fee has been established and will be given to each member of the bargaining unit who does not join the Association and that such procedure and notice shall be in compliance with all applicable state and federal laws and the Constitutions of the United States and the State of Ohio.

In order to avoid any potential conflicts of interest, the Board and its employees retain the right to employ their own legal counsel to assist in any legal matters involving this provision.
- 3.15.07 The parties recognize that a representation fee (fair-share fee) is not permissible under law. In the event it becomes permissible, the relevant language shall be permissible.

ARTICLE 4.00 – GRIEVANCE PROCEDURE

- 4.01 A grievance is defined as an allegation by a grievant that there has been a violation, misinterpretation, or misapplication of any term of this written contract.
- 4.02 A grievant may be a classified employee, or group, or the Association with the same grievance.
- 4.03 Work day or days, as used in this Grievance Procedure, shall not include Saturdays, Sundays, school holidays or calamity days.
- 4.04 To resolve differences, the Board and the Association shall utilize the following procedure:
- 4.04.01 Informal Procedure – Within ten (10) work days after the occurrence of the acts or conditions giving rise to the grievance, the grievant shall first discuss the grievance informally with the immediate supervisor who has

the authority to bring about a solution to the grievance. Said discussion shall be confidential and conducted personally. The immediate supervisor shall provide a verbal response to the grievant within five (5) work days of the informal discussion.

4.04.02 Formal Procedure

4.04.03 Step 1: Not later than twenty (20) work days after the occurrence of the acts or conditions giving rise to the grievance, the grievant shall submit to his/her immediate supervisor a completed grievance form. A copy of the completed form shall be given to the grievant and to the Association. Within ten (10) work days, the administrator shall meet with the grievant in an effort to resolve the grievance. Within ten (10) work days of said meeting, the administrator shall indicate in writing his/her disposition of the grievance. Copies of said disposition shall be given to the grievant and to the Association.

4.04.04 Step 2: If the grievant is not satisfied, or if no disposition of the grievance has been made within the time limits set forth in Step 1, the grievant and/or his/her representative may, within ten (10) work days submit a copy of the grievance, along with the administrator's written disposition, if one was given, to the Superintendent. Within five (5) work days after the filing of the grievance at Step 2, the Superintendent shall meet with the grievant for the purpose of resolving the matter. Within ten (10) work days of said meeting, the Superintendent shall indicate in writing his/her disposition of the grievance. Copies of said disposition shall be given to the grievant and to the Association.

4.04.05 Step 3: Arbitration – In the event that the grievance is not satisfactorily adjusted at Step 2, Wapakoneta Classified Association shall determine whether to appeal the grievance to arbitration, making such appeal by filing with the Superintendent a copy of a written notice of appeal to the American Arbitration Association. The request shall be made within ten (10) work days of the receipt of the response at Step 2 or the failure of the Superintendent to timely respond. Any grievance not appealed to arbitration within the ten (10) work day limit above shall constitute waiver of such grievance.

4.04.06 The parties may mutually or individually request the American Arbitration Association to submit the names of at least seven candidates to serve as arbiter. Selection and hearing shall be in accordance with the voluntary rules and regulations of the AAA. The arbitrator shall hold the necessary hearing promptly and issue the decision within such time as may be agreed upon.

4.04.07 The arbitrator may not add to, alter, or delete from the terms of the bargained contract. The arbitrator shall have such power and authority as may be required to render an award provided that no such award shall be contrary to law. The arbitrator's award shall be final and binding on both

parties. In cases where the arbitrability of an issue is questioned, the matter of arbitrability shall be ruled upon by the arbitrator in an expedited fashion prior to a ruling by the arbitrator on the merits of the issue. The cost of the services of the arbitrator will be borne equally by the Board of Education and the Association. However, the Association shall not be assessed any costs of arbitration unless the Association and the grievant or grievants have initially filed the grievance in a joint action.

4.05 Miscellaneous

- 4.05.01 If the Board of Education administrators named herein to administer this grievance procedure should fail to answer any grievance within the time limits established, then the grievance shall be automatically advanced to the next step. Any grievance not referred to the next step will be considered termination of the grievance.
- 4.05.02 Copies of grievance forms will be made available in all buildings and supplied on request to individuals.
- 4.05.03 The procedures contained in this Article constitute the sole and exclusive method of considering the redressing of grievances arising during the term of this Agreement and any extensions thereof. It is expressly understood and agreed that neither the Association nor any employee shall engage in actions which are not expressly provided for in the grievance procedure such as the initiation of litigation or charges with a state or federal agency in connection with any dispute which is or could have been a matter presented as a grievance within this grievance procedure. It is further understood and agreed that a decision at any level of the grievance procedure that is mutually acceptable to the grievant(s) and the Board's representatives shall be final and binding upon the grievant(s), the Association, the Administration and the Board.
- 4.05.04 Arbitration hearings shall be scheduled so as to avoid the work day of bargaining unit members whenever possible.

14.08 Potential 12-Month Employee Make-Up Day Leave

14.08.01 If during the course of a school year, due to the need to make up school days because of exceeding the permitted number of calamity days for a school year, any holiday is made a calamity make-up day and, thus, twelve (12) month employees who were not originally scheduled to work on that day, but because of the make-up day are required to work that day, the following will occur:

14.08.01.1 The twelve (12) month employees will work on that make-up day on any holiday and receive compensation for that work day at their regular rate of pay.

14.08.01.2 As a result of working such day, the twelve (12) month employees will accumulate a non-work make-up day which must be taken as a day off when students are not in session and not later than the start of the next fiscal year. The make-up day shall not carry over into the next fiscal year. In addition, no more than ten percent (10%) of a classification will be approved for make-up day leave on the same day. In order to request such leave, the day must be submitted through the KIOSK system and marked as "Other" leave.

Example: If it is necessary for school to be in session on a make-up day which falls on a holiday, the employee (working as a 12-month custodian) will now work on that holiday. He will receive his regular rate of pay for the day's work. He will then be permitted to take a day off later in the year, before the next fiscal year and when students are not in session. This will not affect his pay or leave balance. That day should be submitted through the KIOSK system and marked as "other" leave. The 10% rule will apply per classification.

ARTICLE 15.00 – UNREQUESTED MEDICAL LEAVE OF ABSENCE

15.01 Without request from an employee, the board may grant a leave of absence and renewals thereof to any bargaining unit member because of physical or mental disability to perform assigned duties, but such employee may have a hearing in accordance with the following:

15.01.01 In the case of an employee who, in the opinion of a supervisor, is unfit to do the employee's work to the minimum standards of the District, the employee will be offered the opportunity to use accumulated sick leave, seek disability retirement, or apply for an unpaid medical leave.

- 15.01.02 If the employee will not voluntarily choose one of those options, the Board may require the employee to submit to an independent medical examination by a medical doctor of the employee's choice that is licensed by the State of Ohio in the local geographical area at the Board's expense.
- 15.01.03 Pending the results of the independent medical examination, the Superintendent may suspend the employee with pay and all benefits until the Board takes action.
- 15.01.04 Upon receiving supporting medical documentation for the unrequested leave of absence, the Superintendent will have a conference with the employee in question to review the information concerning the matter, share the medical documentation, and state the Superintendent's recommendation to the Board.
- 15.01.05 The employee shall have an opportunity for a hearing before the Board.
- 15.01.06 The Board, following the hearing, may take action to place the employee on a leave of absence, without pay and Board paid benefits, for a period of not more than two (2) consecutive school years.
- 15.01.07 If the employee wants to return to work and resume the contract status held prior to the leave of absence, the employee must supply the Board with supporting medical documentation which includes passing a physical examination by a medical doctor licensed by the State of Ohio. The Board will review the employee's request and documentation and take appropriate action.

For each consecutive year of not using a sick leave day, an employee may elect to receive either a one-time bonus of the substitute per diem rate times the number of consecutive years of non-used sick leave days or roll over such number of days (i.e., three (3) consecutive years of non-use of sick leave = three (3) days that can be rolled over) into the employee's sick leave accumulation, subject to the maximum. - 29.13 Supplemental Seasonal Activities Trips are defined as those trips or routes which are a part of supplemental activity outside of the regular bus routes. They will be posted in accordance with the terms of this agreement and be paid according to the supplemental rates. Any driver may sign up. Trips within the season activity will be assigned on a rotational basis based on seniority. If a driver refuses an assigned trip or is unable to take the trip for any reason, the driver must provide at least 48 hours advance notice to the Transportation Supervisor, except in cases of illness. The Transportation Supervisor will then assign the trip to any available driver. There shall be no trading of trips.
- 29.13.01 Individual extra trips, not a part of a season activity, shall be offered on a rotational basis to drivers who sign up as interested in driving extra trips. A list of interested drivers shall be compiled by August, November and February. The list shall be ordered on the basis of seniority and placed in a conspicuous location.
 - 29.13.02 If a trip is canceled, the driver shall be offered the next available unassigned/open trip. For all trips not canceled within one (1) hour of the pick-up time, the driver shall be paid one (1) hour at the supplemental trip rate.
 - 29.13.03 Extra trip time is defined as the time of the assigned starting time of a trip up through the time of the return point of the extra trip. All trips shall be paid a minimum of two hours, which shall include the cleaning of the bus. No overtime will be paid or computed for any extra trip lasting less than two (2) hours in length. For any extra trip that goes beyond two (2) hours, however, each driver will be paid: 1) a maximum of 15 min. cleaning time at the extra trip rate, 2) 15 min. pre-inspection time on days when a pre-inspection has not already been completed, and 3) 15 min. if the trip begins and ends at Cridersville Elementary School. The extra trip rate of

pay will be at the driver's rate of pay per hour in accordance with the extra trip time noted above. The driver time will be calculated using Google Maps and paid to the nearest quarter hour. ~~Layover time for trips will be paid at fifteen dollars (\$15.00) per hour. Layover time for the trip will be paid at twelve dollars (\$12.00) per hour.~~ Vehicles should not be moved during any layover time, except for parking.

29.13.04 When there is a qualified driver available and willing to take a trip, such trip shall not be subcontracted to non-bargaining unit drivers. This paragraph shall not apply to trips which utilize a school van, provided that the driver of the van is the coach or advisor for the team.

29.13.05 Driver Meal Allowance – Drivers taking extra trips that are at least five (5) hours long and that extend beyond normal meal time will be reimbursed up to ~~fifteen~~^{twelve} dollars (\$~~15~~¹².00) for dinner, provided receipts are submitted, ~~if possible. 29.15 Drug Testing

29.15.01 Every effort will be made to schedule the random tests immediately following the driver's morning route at Lincoln Medical Center. A school vehicle should be available for use at any other time. The testing site is less than one mile from the High School. In many cases, it will be more miles for the employee to drive to the bus garage to pick up a vehicle than it would be for the driver to drive directly to the testing site. For other testing situations such as reasonable suspension or past accident, the driver will be transported by a school employee such as Transportation Supervisor, Assistant Superintendent, Business Manager, or arrangements made.

- 29.15.02 The Board will reimburse cost of personal time used in fulfilling guideline requirements at the rate of one (1) hour of “extra trip rate” to all drivers referred for each random testing. This one (1) hour would be paid regardless of length of time spent at testing site and regardless of number of times “pulled” for random testing.
- 29.15.03 Every effort will be made to avoid conflicts with regular and supplemental trips, and the Board would pay if conflict for random, not reasonable suspicion or post accident.
- 29.16 Reimbursement for Driver Certification - Bus drivers will be reimbursed for their costs involved in bus driver certification up to \$200.00. This will be paid only one time in their career with the Wapakoneta City Schools. Check will be paid to the driver prior to the end of the calendar year 2015. Any employee hired after 2015 will be paid in the calendar year they are hired. (The new driver must drive a minimum of ten (10) trips prior to payment.) This also applies to substitute drivers.

ARTICLE 30.00 – FOOD SERVICE ONLY

- 30.01 The Employer shall provide without cost to the bargaining unit member the following:
 - 30.01.01 A clothing allowance of ~~two~~one hundred ~~fifty~~ dollars (\$~~200~~150.00) will be provided each school year for all cafeteria employees, payable the first pay in October. The clothing allowance will be provided in accordance with the administrative approved dress code policy.
- 30.02 Individuals who work in the cafeteria will be assigned no less than:
 - Food Service Workers – 2 hours per day
 - Assistant Cafeteria Manager – 6 hours per day
 - 30.02.01 The number of hours worked per day for all cafeteria employees will be listed on the annual salary notice. Depending on enrollment and cafeteria efficiency, these hours may be adjusted through September 30. From October 1 through the end of the school year, a bargaining unit member’s hours worked per day will not be reduced or increased by more than one (1) hour; the hours will be rebid. No food service worker will be regularly scheduled for less than two (2) hours per day.
- 30.03 Employee Substitute
 - 30.03.01 When a cafeteria employee is designated by the Food Service Supervisor to substitute for an employee in a higher paid classification who will be absent for five (5) work days or more, the substituting employee will be paid the higher rate of pay beginning on the sixth (6th) consecutive day of absence.

30.04 Cafeteria Managers

30.04.01 In buildings with no assistant cafeteria manager, the employee designated to substitute for the manager will be paid the assistant manager rate of pay for the first fifteen (15) days. After the fifteenth (15th) day, the designated employee will be paid at the manager's rate.

30.05 If schools are delayed, cafeteria assistant managers, or the most senior cook in any building where there is no assistant cafeteria manager, are to report as scheduled, and if schools are subsequently canceled, such employees will receive their normal hourly rate of pay plus a premium of one-half (½) times their normal hourly rate for hours actually worked on such days, not to exceed two (2) hours.

30.06 Food service workers that substitute will be paid at their regular rate of pay for additional time worked, regardless of the position for which they are substituting. This cafeteria substitution provision shall be excluded from the grievance procedure.

30.07 Extra hours will be offered to food service employees on a seniority rotational basis per building. All such employees will be on the seniority list except those that specifically inform his/her manager to remove his/her name from the list. The manager will document the offering of extra hours to employees. An employee who refuses any extra hours will lose his/her turn on the seniority list during that rotation.

30.08 Certification Bonus

30.08.01 Full-time (six hours or more) and part-time food service employees, who are not assistant cafeteria managers, that have been employed by the District and certified by the American School Food Service Association as of July 1, 2000 (and maintain such certification) in their respective area will receive a flat rate of one hundred dollars (\$100.00) or fifty dollars (\$50.00) per year. Payment will be made at the end of the school year, upon completion of certification and provided all documentation has been submitted.

ARTICLE 31.00 – IMMEDIATE SUPERVISOR DEFINED

31.01 By September 1st of each year, the Superintendent or designee shall email all bargaining unit members a copy of the District organizational flow chart and an "immediate supervisor listing" which lists each bargaining unit member and the employee's immediate supervisor. A hard copy of these documents shall be made available to all bargaining unit members upon request.

32+.01.01 Except as provided by the interim bargaining provisions herein, the above provisions shall not be construed so as to relieve the employer from its duty to bargain over mandatory subjects of bargaining as provided under ORC 4117.08 or as a waiver of the Association's right to demand bargaining over such mandatory subjects of bargaining.

32+.02 Entire Agreement – This written agreement supersedes all prior agreements and understanding between the Board and Association, whether written or oral, and constitutes the entire agreement between the parties.

32+.03 Duration – This agreement shall become effective upon ratification by both parties and shall continue in full force and effect through June 30, 2024~~21~~.
